MERCY MINISTRY UPDATES...

When I met Grandma Adeline she had been caring for her granddaughter since birth. Girl Adeline cannot walk or feed herself. She is now 18. In Grandma Adeline I see faith and joy like I've never witnessed. The church, with the help of GMH, has added an addition and shower to their home. They are part of our monthly giving. We ensure they have food, water, diapers, and supplies. May God continue to bless them.

KleAnna has been ministered to by The Church of the God of Perfection in Marotte since she came to faith in Christ last year. Shortly after her conversion she gave birth to twins, Eve and Ava. We blessed her with baby clothes and cloth diapers. She continues to be active in worship and eager to learn. The needs of all our people are great. We do what we can to help Kleanna. She survives by others sharing with her. She's a good mom who tries hard.

Ames Christian School is now partnering with GMH to get school supplies to our kids. How did that happen? First I met Steve, who introduced me to Mike, who introduced me to Andrew, who introduced me to Kevin. Kevin is the principal at Ames Christian Elementary. We're excited about future ministry together. We thank God for Ames Christian School!

The GMH Website is Updated! Our home page has a new 6 minute timeline video outlining our last 15 years of ministry in Haiti. Watch and hear about what God has done and continues to do!

Haiti is a battle ground, both physically and spiritually. People are in survival mode. All across Haiti we are witnessing more conversions and worshippers. People are hungry for hope and find it in Jesus and His gospel.

What our churches lack in financial resources they more than make up for in their passion for Jesus. We humbly ask for help to support our churches and their ministries. ***Please… Join us!***

We are grateful for your support. It equips us to proclaim Christ and to serve the impoverished in His Name.

GOD'S MERCY to Haiti

"...and what you have heard from me in the witnesses of many others entrust to faithful men who will be able to teach others"

2Tim 2:2

Hello Friends,

Deep within the DNA of God's Mercy to Haiti is the model Paul taught Pastor Timothy. *"Entrust to faithful men who will be able to teach others"*. Our long-term vision has always been *discipleship and duplication.*

My feet are not on the ground in Haiti, but Ostanel's are. He's in the trenches leading our leaders–intentionally preparing them to prepare the next generation.

This October, Ostanel traveled from Haiti to Florida to see his family. This afforded us valuable time together. An opportunity to evaluate, prioritize and strategize. We enjoy ministry together. We had a blast.

There is a joyful spiritual synergy between Ostanel and me. Bonds between Ostanel and our leaders (pastors Gerguens, Guinel, and Niko) are strong. Morale is high. Momentum is steady. The Holy Spirit is clearly leading.

The following is a message from Ostanel to you. It outlines his roles and our goals in the coming months.

Greetings from Haiti,

We give thanks to God despite all our challenges. In the midst of turmoil and chaos the three Churches of the God of Perfection are thriving.

I will be visiting and preaching at each of our churches. Encouraging and maturing our people in their faith.

This February we will send delegations from each of our churches on an evangelistic mission to the island of Lagonave (a short distance off the coast of Haiti). November will be a month of evangelism training. Our churches believe in missions. They are excited to go.

We are working with churches in Lagonave so people will have a church when they come to faith in Jesus Christ. I will be going with our churches to evangelize.

We pray that God will lead us to the right people. We pray for our American partners to help send us.

Also, we want to expand the church facility in Kilbitè so that everyone may have a seat. We are moving by faith. God in the past is still God of today. He is still in the business of opening doors to people. We pray for Pastor Jeff when he asks for help for this project. My construction experience will help our ministry with this expansion.

It is a privilege to be co-director at God's Mercy to Haiti. It is good to see God's kingdom grow and see the US church help the Haitian church. I love my job!

Exciting days are ahead - teaching, learning, evangelism, and more construction. We are blessed to be there for one another. All the while, reminding each other not to lose sight of the big picture. Disciple and duplicate.

We will perpetuate Your memory through all generations! Therefore the nations will praise You for ever and ever! Ps 45:17

Are you gonna eat those fries? Enjoying our favorite American meal together, wings, a Philly, and fries.

GOD'S MERCY to Haiti

Our kitchen staff and teacher helpers. Miland (left front) is our "School Mom." She always has a smile.

Everyday the kids line up to greet their teachers, sing the Haitian national anthem, and pray

Praise God! We're Back to School!

The School of the God of Perfection started the 2025/26 school year on October 6th.

Because of gang violence our start was delayed. But the brave citizens and police in Arcahaie staved off the attacks by gangs threatening to occupy Arcahaie. The gangs retreated and we were able to begin our school year.

This came with a great cost. Many innocent lives were lost in defense of Arcahaie. Please pray for the families of those innocent victims. And pray for our enemies.

People have returned to their homes after fleeing deep into the hills. As for now things are "back to normal."

We are grateful that our school is located within the village of Kilbitè where there is more of a sense of security.

Through these many trials comes the testing and maturing of our faith. Life goes on with a sense of resolve and hope.

Truly my soul finds rest in God;
my salvation comes from him.
Truly he is my rock and my salvation;
he is my fortress, I will never be shaken.

Ps 62:1-2

Please continue to pray for our safety.
And THANK YOU for ministering to
The School of the God of Perfection!

Our Principal, pastors, deacons, and the maintenance crew all pitch in to help on "opening day"

Every school day starts with the raising of the Christian flag

Remember your first day of kindergarten?

Prayer is vital to every school day

Happy students in their new uniforms!
