

I will establish my covenant as an everlasting covenant between me and you and your descendants after you for the generations to come, to be your God and the God of your descendants after you. Genesis 17:7

Newsletter | June 2024

Dear Friends,

Since the beginning, every generation has passed on the curse of sin. But Christ shattered this curse when He broke into time. Eternally reversing the curse for every generation. His righteousness and blood set us free. We praise God for His mercy!

This profound truth is our story. It is our song. We pray it's yours as well.

In August I turn 65. And 65 is the new 50. Well... maybe. And although I've geared down a bit, full retirement is not on the horizon.

My zeal for His Kingdom remains steadfast. My hope for future generations in Haiti is bright. All fueled by God's promise - His everlasting covenant in Christ.

Our mission also remains clear: *Proclaim* Christ and His gospel. *Equip* Haitian families for their future, physically and spiritually. Bring more people to *worship* our holy God.

Though our purpose is consistent, some of my roles have changed. Mainly because of violence in Haiti and travel restrictions. Professional growth in our Haitian staff has made us more efficient. I commend their stewardship and faithful ministries of mercy and the Word.

Shepherding the leadership in our two churches and school continues. Also providing planning and accountability. Networking US churches together with our Haitian churches is essential for our future.

With any ministry funding is vital. Especially so in Haiti! Therefore, we're taking another step to ensure God's promises can be proclaimed for future generations.

We ask that you prayerfully consider a legacy gift in your future financial plans to help ensure our work reaches generations to come. Enclosed is a post card with this newsletter. Just drop it in the mail, or send us an email. We'll send you brief and clear information outlining how you can establish your legacy gift.

Whether looking back or looking ahead, God's mission is unchanging — to connect generations to Himself. We are grateful for everyone who invests in God's Mercy to Haiti to share in His purpose.

God's love has no age limits or time restrictions. He provides for today. He has secured our eternity. Please... *Join us!* We seek to honor and emulate His goodness for generations to come.

Thank you.

*We will perpetuate Your memory through all generations O Lord!
Therefore the nations will praise You for ever and ever!*

Jenny

Watch Them Grow!

Jenny is a delightful young girl with a happy sweet disposition. She has straight A's with perfect attendance. Jenny loves her school and church. She's the first one there and the last to leave. She's always pitching in to help.

Jenny was eight years old when she came to Kilbitè. She was orphaned by her birth mom and grandmother who are voodoo priestesses. Jenny's adoptive mom, Camose, is a faithful member of The Church of the God of Perfection and is part of our school kitchen staff.

We are blessed to witness the reverse of the curse in Jenny and Camose. It's a joy to see their smiling faces grow and worship together.

Evedolandee

Meet Esther and Evedolandee

Where you find one, you'll find the other. They are as delightful as they are cute. Both girls are at the top of their class and enjoy singing in the church choir.

Esther is the daughter of Guinel village leader and Pastor of The Church of the God of Perfection in Marrote. Evedolandee is T-fre's daughter, our ministry maintenance man.

These girls hold such promise! Our ministry is personal and family oriented. It is our prayer to minister to their children someday. We all look forward to calling Guinel and T-fre "grandpa."

Esther

God's Miracle

Her name is Miracle. She turned 99 on May 2nd. I asked her what it was like to be 99. She answered, "I'm officially old."

Miracle was born in the village of Marotte. She lived there her entire life alongside her twin brother Andrew. For decades she and her family were deeply involved with voodoo.

She said life in Haiti used to be peaceful. She raised a family and supported them by raising goats, chickens, and livestock. "Life was wonderful then," she said. "Now, everyone is afraid."

Patrick, our operations manager is Miracle's nephew. He invited her to The Church of the God of Perfection in Marotte about a year ago.

Miracle was redeemed last month. She received Christ's forgiveness after hearing Guinel's preaching. And by having some very serious conversations with Guinel about her life and eternity. When I asked her about her new faith she said, "I never knew Jesus was so good!"

I also asked Miracle about worshipping God. She said she had never worshipped God until this past year. She loves learning new songs to sing to Him.

After Miracle confessed her faith in Christ she was baptized. At 99 years old she shared in the Lord's supper for the very first time. At 99 she's right where she needs to be. In Christ.

*...to God be glory in the church and in Christ
Jesus throughout all generations,
forever and ever. Amen!*

10 years ago a school was birthed in our little jungle village. We started with 18 kindergartners, a teacher and a helper. God has grown us to a place where the foundations of faith and life are built.

Against a backdrop of oppression, poverty, and voodoo, we are a healthy, bright, and joyful place. A lighthouse! A shining testimony to Jesus and His gospel.

Thank you for contributing to our school's success. And for blessing our children with dignity, purpose, and encouragement!
