

Merry Christmas from Kilbité, Haiti! We thank God for His abundant goodness. Thank you all for your prayers, encouragement, and giving to God's Mercy to Haiti this past year.

The political unrest in Haiti changed the country. It changed our ministry as well. We want what God wants for Kilbité. Our new vision reflects His leading and our following.

Our 20/20 Vision: To Care for Kilbité like Christ Himself

The oppressive nature of the poverty in Kilbité afflicts the entire person. Therefore, we minister like Christ accordingly. For many months now the Spirit has been furrowing the ground. God is clearly in front of the various ministries that are before us in 2020.

Ministry to physical needs: Clean water! Our efforts to drill a well in Kilbité came up dry. Therefore we are seeking to purchase a water purification system to treat the water from the stream. We are fighting hard to bring clean water to Kilbité. Please keep praying for this need to be met.

Food! Meals from the Heartland just donated 70,000 meals to God's Mercy to Haiti! This is just the first of many donations from them. This is a game changer. We are seeking donations to ship 6 large pallets of this food to Haiti. Our immediate need is \$3000.

Dr. Vlad and the Alpha/Omega clinic continue to offer medical care every other week in Kilbité.

Ministry to the mind: Our vision is to personally distribute 700 bibles in the village. We can get Kreyol Bibles for only 60 cents apiece. We are looking for one donor to give \$420 to make this vision a reality.

This coming March a team will be in Kilbité to do a mobile eye clinic for any adult needing glasses. We will combine this to minister to body, mind, AND spirit. After the exam a Bible will be gifted along with the opportunity to relate the gospel.

The School of the God of Perfection will add another 10 students this fall, for a total of 94 students!

Ministry to the soul: The proclamation of the gospel – making disciples – all through the power of the Holy Spirit – this is the purpose of The Church of the God of Perfection. We don't need one thin dime to proclaim Christ and teach the way of the cross. The love of Christ overflows through us. It is our joy and privilege to proclaim His name and teach His Word.

Our 20/20 Vision: To Care for Kilbité like Christ Himself

The Church of the God of Perfection leadership team: Pastor Gerguens, Pastor Jeff, Guinel, deacon and village leader.

Join us in glorifying our Lord together!

Merry Christmas from Kilbite, Haiti!

Caring for Kilbite ...

This is Adeline and her grandmother (Grandma Adeline). Adeline is 13. She cannot walk or speak. But she can smile and make sounds to communicate. Grandma Adeline has cared for her all her life. They live in the foothills in Kilbité. When Grandma Adeline has to go to the stream for water, she must take Adeline with her, as she cannot be left alone.

Grandma Adeline has a quick step and spark in her eye. She is one of the most joyous Christians I have ever met. Everyone who meets her marvels at her spirit and is encouraged by her faith. Grandma Adeline is 58 years old. Her gratitude to God and her devotion to her granddaughter is humbling and inspiring.

This particular day we brought her charcoal, clean water, and 3 weeks of food. Grandma Adeline was especially excited when she saw the battery powered LED lights we brought her. She sings hymns, prays, and reads the Bible every evening to Adeline. Oh, how wonderful it is listening to Grandma Adeline pray and give praise to God!

This is Grandma Adeline's kitchen. She cooks over charcoal. She gets her daily water from the stream. She relies on the charity of neighbors, friends, and family for all her needs. She would consider herself fortunate to eat every day.

Praise God! Hunger is ending in Kilbite!

After a visit to Downtown Church in Milford Iowa, a friend of GMH connected us with Meals from the Heartland who donated over 70,000 meals to Kilbité. This is a great example of simple networking to grow the Kingdom of God. We are in need of \$3000 to ship this food to Kilbité. Can you help?

Being Discipled ... Making Disciples

The men of The Church of the God of Perfection. Teaching and equipping men to live God glorifying lives is having a ripple effect through out the village. When we invest in men everyone benefits.

Dear Friends,

This will be my 10th year in Haiti. When it began it all seemed so random. Does God know random? I think not. God knows nothing of the unexpected. That's a good thing. Because this ministry is one curve ball after another.

His providence is so evident in God's Mercy to Haiti. Month after month I see miracle after miracle. Whether it's people, provisions, or peace... He is faithful to provide.

That is why I can ask you to share in the vision of this ministry. Because it is all by His Spirit.

Our Father delights in the faith and expressions of mercy from His children. Please give generously to God's Mercy to Haiti.

From Carrie and me, and from everyone at The Church of the God of Perfection... Thank You for helping us serve the people in Kilbité. Merry Christmas! May His grace and peace be upon you.
