

*May the Lord direct your hearts to the love of God
and to the steadfastness of Christ* (2Thess 3:5)

Our kids are back in school! Learning, worship, play, prayer, singing, and mealtime - we thank God for these blessings. All this means a sense of normalcy for families and staff. It's our prayer we can make it to the end of this school year without interruption. Please pray for our kids.

The situation around us is stable enough to resume. However, that may change at any time. While I am not in Haiti, we have regular staff meetings and daily individual conversations. We are a team. And we are prepared as best we can.

Every school day begins with a scripture reading, prayer, and the raising of the Christian flag

Grandma Adeline's loving devotion to her handicapped granddaughter is inspirational. Girl Adeline cannot speak in sentences, walk, or feed herself. Her grand mother has cared for her every day of her life.

A little goes a long way. This past December we received a number of smaller donations (\$15-\$30). We put them together to make life a little easier for Grandma Adeline and Girl Adeline. Their smiles speak to the depth of their appreciation.

We purchased them a tank for drinking water and built them a shower. The water tank will collect rainwater. Guinel, Tfre, and Jimmy from the Church of the God of Perfection did the work.

"The kingdom of heaven is like yeast that a woman took and mixed into about sixty pounds of flour until it worked all through the dough." Mt 13:33

Every donation to God's Mercy to Haiti makes a difference for someone - the men who did the work, Grandma's neighbors who witness God's blessings, and you who give - we all share in the joy of God's mercy.

Church in Travo

It's just a matter of time until construction begins on the new church building in Travo. Currently it is too big of a security risk to begin construction. With careful planning we are hopeful to begin in March.

Funds have been donated and are secure here in America. Everyone is ready to build. We are thinking and praying and waiting for the right way and the right timing to proceed. No one is more excited or more patient than Pastor Niko.

A new church building to proclaim Christ. To equip the church. To rejoice in our great God. This new church building would be so valuable to the people in Travo. Please join us in prayer to see this blessing through to completion. Praise God from Whom all blessings flow!

Foot washing - a Christlike demonstration of humility and service. A valued tradition in Haitian churches.

Praise God for the continual conversions throughout our churches. "Blessed are the poor and spirit for theirs is the kingdom of heaven."

**2025... A New Chapter of Faith
(And Resolve!)**

Dear Friends,

The supernatural power that resides in our three churches resides in a Person. The Holy Spirit. *And He is why* the spiritual battles that are raging in Haiti will most certainly result in our victory.

Haiti is involved in an epic spiritual battle against an evil enemy. The enemy is widespread and their numbers increase daily. Their atrocities are to disturbing to mention. Left to themselves, like any cancer, they would continue to ravage until they destroy the very host that keeps them going.

This enemy is real. They are not rational. Not secular. They come straight from the pit of Hell.

For centuries Haiti has been a spiritual battlefield. Things have finally boiled over. If someone were to ask me about their future, I'd say the road will be long and difficult. We're preparing as if this were the case. Presently, The Port au Prince Airport is closed. Gang rule is like a cancer. International help is ineffective.

Yet, Haiti is not hopeless. Quite the opposite. Looking through a Biblical lens gives faith and assurance. For Jesus said, *"I will build my church, and the gates of Hell shall not prevail against it."* And we believe Him! When Christ Himself assures victory, then resolve and optimism become part of our journey.

God's Mercy to Haiti's mission has been to plant and equip local churches. Our churches in Kilbitè, Marotte, and Travo are spiritual outposts penetrating darkness with light. Places to worship. They revive and equip. They are the primary means to proclaim and minister Christ and His gospel.

Personally, I am deeply grateful to God for bringing me into a partnership with our ministry leaders. I am proud to serve beside them. Together we fight for Him. Arming His churches with truth, mercy, and hope. Our purpose is noble. We are humbled to be led the Holy Spirit. He proves Himself over and over.

I am the quartermaster in this fight. Securing and procuring resources. I am also the chaplain to our leadership and troops. Bringing the Word and encouragement.

Our churches in Haiti are the boots on the ground. Serving and proclaiming Christ as their C.O. (Commanding Officer).

You, the Church here in the US, are our supply lines. Your provision sustains our leaders and staff. Our church's ministry, The School of the God of Perfection, is a precious treasure. A ministry benefitted by everyone. Your help supplies their food for today and equips young Christian warriors for future battles.

No one is more vital to this Kingdom battle than Jesus Christ. He is our strength and our purpose. Our Rock. He is our Victor! Our King. The glory of the Lord is our rear guard (Isa 58:8).

2025 is certain to have many challenges. We expect highs and lows. But we are ready; Ready with faith. With resolve. With you, our brothers and sisters. With assurance. With Hope. And with the Holy Spirit!

Blessed be the Name of the Lord!

Guinel's conversion was dramatic. God transformed a village leader that spurred a gospel ministry in his village and beyond. Today, Guinel leads the new church plant in Marotte.

2011

God knows how to begin a good story. The birth of The Church of the God of Perfection on a hilltop above the village.

2013

Having a building was a pivotable new step. Used for worship and launching our new school of 22 kindergartners and 1st graders.

2015

A new building for The School of the God of Perfection. Our church continues to rally around her growing ministry.

2017

Short-term mission trips were key to equip GMH. Chapters like these will return when gang rule can be replaced with order.

2019

This cross is installed on the church the same day a giant mango tree "unexplainably" falls on a decades old voodoo cross. Amazing supernatural affirmation!

2021

Gangs caused a massive refugee crisis. GMH stepped up and served over 100,000 meals

2023

YOU WILL SEEK ME AND FIND ME, WHEN YOU SEEK ME WITH ALL YOUR HEART. JEREMIAH 29:13

2010

"Seek first the Kingdom of God". My life changed after I read these words displayed in a back window of a rusted out pick-up truck on my first trip to Haiti. They would be the preface for the chapters ahead.

2012

Ministry to children started early. This chapter is still evolving. Generational change through Christ and His gospel are steadily transforming the culture here. Voodoo is already losing its grip.

2014

We worshipped outdoors our first year. This chapter produced depth and growth. Numbers increased with new conversions.

2016

A gifted servant leader to guide the troops - Robert Gerguens ordained in The Church of the God of Perfection.

2018

Resulting from this medical mission team, a local mobile clinic brought health care clinics twice a month to Kilbitè.

2020

Expanding the church helped our worship and organize growing ministries.

2022

God uses Patrick's gifts of leadership, networking, and mercy to help launch the new church in Marotte.

2024

Pastor Nico and his church in Travo become part of God's Mercy to Haiti.

No story compares to the greatest story ever told. A perfect life lived from the God/man Jesus. Who died on a cross to forgive our sins with His blood. Who rose from the dead giving eternal assurance to all who receive Him by faith. That they would not die, but live! And enjoy Him forever in paradise!

What a privilege to be part of God's story. Our very final chapter will be our best chapter, for Jesus Christ is our hope. Until then we are blessed to honor His name. To rejoice in all He has accomplished. And to glorify Him for Who He is!
