Dear Friends,

A year ago, my wife Carrie was diagnosed with Stage IV cancer in her lung, lymph nodes and the bones in her shoulder. After a few months of treatments, they found no cancer. After her tests in July... again no cancer! God is our Defender in both good times and difficulties. Carrie gets better every day. I am reminded of a sign I saw in a Haitian Hospital... Men Treat. God Heals. Carrie and I thank you for all your prayers.

Last newsletter we announced the construction of our new school/ church building in Kilbité. Our goal is completion by next summer. Please consider a generous gift. A church and a school building. 2 for 1! God is able! Please give!

Two years ago, I approached Bob and Nan Smith, owners of Stonecliff Winery in Dubuque Iowa, to produce a Pineapple Wine for GMH. Today, GMH Wild Pineapple Wine is in over 300 retail locations across Iowa. Bob and Nan did all the R&D, take care of distribution, plus donate \$3.25 for every bottle sold. Over the past 2 years they have donated over \$20,000 to feed and educate our kids in Kilbité. Thank you, Bob & Nan, for investing your hearts, time, and money in Kilbité! stonecliffwinery.com

GO! This January 2nd -7th GMH is taking a team on our annual 'Reverse Missions Trip.' An unforgettable and deeply rewarding experience. Ask anyone who has gone. A kid friendly experience too! And affordable. An eye clinic mission trip to Kilbité is planned for February 5th - 10th. No medical experience necessary. A great opportunity for mercy and evangelism! Call or email me for more details. Deadline for the January trip is Sept 15th. Space is limited.

Arielle and McKenna, 2 of last years Reverse Mission team members.

Thanks for supporting GMH. We proclaim Christ and His gospel. Please continue to pray for my family, and for God's provision for the poor in Kilbité.

We proclaim God's gospel - salvation is by His grace alone, though faith alone in Christ alone! To God be the glory!

Don't Forget \$70 for 70! Send your gift today!
\$70 provides curriculum for one of our students.
\$100 gets her both curriculum AND a uniform.
